## ***High Ropes Course***

A person wearing a white shirt, red shorts, a white helmet, and a safety harness is climbing a tall, narrow wooden tower. The tower is covered in numerous colorful climbing holds (green, blue, red, and brown). The person is positioned about halfway up the tower, facing away from the camera. The tower is supported by several thick wooden poles at the top. Numerous ropes are strung across the scene, some attached to the tower and others hanging freely. The background is a clear blue sky with a few wispy clouds. The overall scene is an outdoor recreational activity.
